

Mr. Pete has been my son's bus driver for years. He drives one of FP's special needs buses. He has always gone above & beyond what our expectation of an ally to the special needs community & as a bus driver for our son, who has cerebral palsy. He truly cares for this community!

-Brandi Justice

Fort Payne

Mayor

Paid for by the friends of Pete Davis • 6005 Greenhill Blvd, Fort Payne, AL 35967

My wife Christie Boyd and I had the pleasure of working in Fort Payne for more than 20 years each. I started a career at what was then Westinghouse, now Sieman's, Christie worked at Builders Supply. We have been affiliated with the Pete Davis family for the majority of that time. I first worked with Pam Davis at Westinghouse and later had the privilege of working directly with Pete Davis and Westmoreland Tire where we both worked in outside sales for the better part of 14 years. Pete Davis and I shared the same responsibilities, overseeing and managing commercial sales in Tennessee, myself in Georgia. The job that we did required time management, people skills, trust and accountability, fiscal insight and vision. Our job demanded we both maintained existing customer base and created new customer base in order to generate and grow customers for Westmoreland Tire. While doing this we had to take care of customer needs, solve problems, proactively create future opportunities for our customers to save money and Westmoreland Tire to generate profit. Pete Davis always had outstanding people skills, great time management, work, moral ethic and vision.

I am very happy to endorse my friend Pete Davis for Mayor. Having seen the issues Ft. Payne faces, Pete chose to do something rather than just talk about it. I believe Pete is the right man for the job!

Fort Payne

Mayor

Paid for by the friends of Pete Davis • 6005 Greenhill Blvd, Fort Payne, AL 35967

We have known Pete since the early 1990's both personally and professionally, and we are assured he is a person of great integrity and faith. He and Pam have raised two boys into truly fine men while living here and being involved in Fort Payne. Pete has a calm and thoughtful demeanor and a love for our town which will serve him well as our mayor. He has been a highly successful businessman in multiple arenas in our area, and he can apply the same financial and management skills to running a successful city government. Pete has the pulse of the business community and the tourism trade, but most importantly he is very focused and connected with the concerns, and the welfare, of everyday citizens in Fort Payne. Please join us in voting for Pete Davis as Mayor of Fort Payne!

-Scott Thompson, DMD & Leslie Thorne, DMD
